REPORT DATE : 11 January 1947

EVALUATION: (B-3)

INFO. DATE : Present

SUBJECT : *201-48561* *check* *Cen* Dr. Georg KOSSENKO, @ "KOLOSOV" *Cen* DATE INFO REC'D: 9 January 1947

NOTE. The interesting personality of Dr. KOSSENKO should prove to be useful to investigate. In addition to investigation on KOSSENKO being made by the local (Munich) CIC, the matter was referred also to our Ukrainians, because KOSSENKO is of Ukrainian descent. Information given below is the first on subject from SARPEDON and his TRIDENT Group.

1. KOSSENKO, Dr. Georg, about 33-35 years old, was born in the Eastern (pre-1939 Soviet) Ukraine. His civilian profession is law; it is because of that and his knowledge of English, German, Russian, Ukrainian, and French that he is being used by the OMIRA as their legal advisor at the Schilssheim (vic. Munich) DP Camp.

2. KOSSENKO was formerly an officer in the Red Army.

*Cen* 3. During the German occupation of Ukraine, KOSSENKO was employed by "Oberkommando 101" whose chief was one SORBEREI. It was at this time that he used the alias "KOLOSOV". He was employed as an instructor in the "Oberkommando 101" intelligence school. Chief of that school was one KATOFELD. KATOFELD's main assistant was a former NKVD Captain, using the alias of "AISTOV". "AISTOV" and "KOLOSOV" (KOSSENKO) were very close mutual friends and very friendly with another former NKVD (?) man, Sasha BRUSILOV, alias "HAMERSCHIED". "HAMERSCHIED" is presently in Hanover; his wife is still in the DP Camp, Munich/Freimann.

4. In 1944-5, KOSSENKO was dismissed by "Oberkommando 101" because he was suspected of being a Soviet penetration agent, though no concrete proof for the suspicion could be gathered.

Field Comment:

1. NSC 276 provides an account given by subject to source, RADISH, of a visit he had received from a Russian emigrant using the alias Philip SOLLINGER.<sup>CR</sup> According to KOSSINKO, SOLLINGER told of his arrest by the MVD in 1945, his confinement in a Leipzig prison and his eventual recruitment by the MVD for a mission into the American Zone in June 1946.

2. The tenor of subject's report, as well as some of the many details given, was confirmed by an independent source.

3. In October 1946 an investigation of subject was conducted, upon our request, by CIC. Of special interest was the fact that although KOSSINKO had written a lengthy report on SOLLINGER for our source, he strongly denied to CIC, any knowledge of a person named SOLLINGER.

<sup>under ex</sup> 4. The CIC investigation also disclosed that at 2230 on 5 September 1946 an UNRRA driver, HOLOD, was asked to take Dr. KOSSINKO, a Mr. DOBROTSCHIK, and two unidentified men to Feldmoching (M49-Y86). The party stopped in front of the "Consum" building, where subject rapped at the window in a peculiar manner and the whole party was admitted to the building by a Soviet officer. After 20 minutes inside, the party emerged accompanied by two Soviet officers in uniform, one of whom told HOLOD not to mention this visit. Five days later HOLOD drove subject and the same unknown civilians to Munich where they visited the building of the Soviet Press Office.
